PRODUCT CATALOGUE

Paris Site Furnishings and Outdoor Fitness is committed to excellence.

MADE IN CANADA

WHO WE ARE

Founded in Paris, Ontario in 1947 under the name Paris Playground Equipment Limited, we have always been committed to providing the best product and service. Over 70 years later, we are a leading supplier of site furnishing and outdoor fitness equipment throughout North America. We are fully committed to creating lasting impressions.

WHAT WE DO

Paris Site Furnishings and Outdoor Fitness offers a wide variety of site furnishings including benches, litter receptacles, picnic tables, bike racks, high-performance, outdoor fitness equipment, and custom work.

WHY US

Paris Site Furnishings and Outdoor Fitness products comply with strict standards, and are produced with high quality materials. Whether it's a recycling receptacle, trash container, park bench, bollard or various other types of site furniture or outdoor exercise equipment; it is built with quality in mind. Paris designs and manufactures outdoor furniture that is not only aesthetically pleasing, but durable and dependable, staying true to our commitment to create lasting impressions.

SELECTED MODELS WITHIN THIS CATALOGUE ARE OFFICIALLY CERTIFIED BY THE INTERAGENCY GRIZZLY BEAR COMMITTEE (IGBC). LOOK FOR THE CERTIFICATION SEAL TO IDENTIFY BEAR-RESISTANT PRODUCTS.

Excellence and sustainability at Paris Site Furnishings and Outdoor Fitness

At Paris Site Furnishings and Outdoor Fitness, we lead with a commitment to excellence and sustainability. From the material we choose to our advanced manufacturing processes, we strive to set a standard for environmentally responsible outdoor furnishings that enrich communities and protect our planet.

OUR SUSTAINABILITY VISION

We believe outdoor spaces should not only be functional and beautiful but also sustainable. By integrating eco-conscious practices into every stage of our operations, we ensure our products reflect our dedication to environmental stewardship and long-term impact.

OUR SUSTAINABILITY PRACTICES

1. Sustainable Materials
2. Responsible Manufacturing
3. Renewable Energy Integration
4. Sustainable Partnerships
5. Waste Reduction

A SHARED COMMITMENT TO EXCELLENCE

As part of the JGW Machine Limited family, Paris Site Furnishings and Outdoor Fitness upholds a shared mission of sustainability and innovation. Together, we are shaping a greener, more resilient future for our communities and industries.

Join us in creating sustainable outdoor spaces. Together, we can make a lasting difference.

STERN SOLAR CHARGING POLE

- (2x) 12V 7AH Batteries
- 80W Solar Panel, up to 160WH daily energy capture
- (3x) USB Charging ports with (2x) USB-A inputs per location
- ADA Compliant.

Our Power Poles Are Fully Customizable To Match Your Specific Needs

We offer various panel ratings, battery sizes, and weatherization options, along with additional features such as lighting and security systems.

16' Pole Retail spaces, schools, businesses, and recreation areas.

21' Pole Businesses, community centers, and new developments.

32' Pole Businesses, sports complexes, construction sites, and oil and gas operations.

Curved Vertical Solar Panels

Our patented curved vertical solar panels are designed to capture sunlight from all directions throughout the day. Unlike traditional flat panels, this innovative design ensures consistent energy generation, maximizing efficiency even in low-light conditions.

Solar-Powered Connectivity Revolution

Combining sustainable energy with unparalleled connectivity, the **Stern Solar Charging Pole** features a dedicated mount for a **Remote Starlink** antenna, enabling seamless satellite internet access. Perfect for remote locations, smart cities, or eco-conscious installations, the Stern Solar Charging Pole redefines versatility and convenience.
